Where did you learn about the work of the Spirit of Paul McGirr?

What part of our work in Africa interests you most and why?
<i>Our work is divided into smaller projects to make them easier to manage. I.E. teacher training, bee farm construction, bakery unit construction, sports field construction, soft fruit farming, general construction, food marketing and business development. Which of these projects are you interested and have the skills to become involved in?</i>

Are you able to fundraise to cover the cost of your travels or the materials you would like to use while in Africa? If so, how would you raise the funds?

Explain what skills or experiences you can offer this project.

Identify your motivation for participating and outline what you hope to gain from the experience.

How long would you be able to commit to the project and identify the dates that would suit best.

Please include any other information which you feel may support your application.
